FLOOR COVERING and DECORATING CENTER

**it's a whole new day in customer satisfaction.**

Mannington Gold™ has made all other vinyl flooring obsolete. Over night. When the sun came up, it came up on a floor that revolutionized an entire industry. And the same is true for the Mannington Gold guarantee. It's simple. And powerful. And motivational. If a customer is unhappy with a Mannington Gold floor any time during the first year, we'll put in any other Mannington floor. Free. No installation charges. No conditions. **NO QUESTIONS ASKED.**

For the next 10 years we guarantee to replace the floor if it wears out. Again, we'll replace it for free. Our guarantee is totally unprecedented, totally unheard of in the flooring industry. And that's exactly why it's going to move Mannington Gold out of our showroom at an unprecedented, unheard of pace.

Mannington is the only flooring company to offer 100% CUSTOMER SATISFACTION. It's the only guarantee in the world that's good as Gold.
